

Appendix 13: Grants and related assistance

From 1 July 2021 to 30 June 2022, the Department has provided facilitative and financial assistance to organisations and individuals. During the 2021-22 financial year, the department provided a total of \$10.392 billion in facilitative and financial assistance to various organisation and individuals, which includes financial assistance provided under various support packages in response to the COVID-19 pandemic.

This includes \$7.116 billion paid under the various rounds of the Circuit Breaker Lockdown Support Package, of which 86 per cent was provided to recipients in metropolitan Victoria, with the remaining 14 percent provided to recipients in regional Victoria.

The below tables provide a detailed summary on the total facilitative and financial assistance provided by the department to the grant recipients under its various programs and initiatives.
