

Department of Jobs, Skills, Industry and Regions

Grants and related assistance

During the 2022–23 financial year, the department provided a total of \$1.869 billion in facilitative and financial assistance to various organisations and individuals. This comprises \$1.352 billion in discretionary grants and \$517 million Commercial-in-Confidence grants, and includes financial assistance provided under various support packages in response to the COVID-19 pandemic.
